Supplemental Type Certificate

Number ST01338LA

This Certificate issued to

Paragon Transportation, LLC
21620 N. 19th Avenue Suite A-10
Phoenix, Arizona 85027

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25* of the Federal Aviation Regulations.

*Certification basis is set forth in Type Certificate Data Sheet.

Original Product Type Certificate Number: T00003NY

Make: Bombardier, Inc.

Model: Global Express BD-700-1A10, Serial No. 9034

Description of Type Design Change: Installation of the Automatic Flight Inspection System (AFIS) and Honeywell Primus 2000XP Integrated Avionics Computer (IAC) in accordance with the FAA Approved Master Data List, Document No. MDL-A/C-053 Revision "3", dated August 21, 2002, or later FAA approved revisions. FAA Approved Airplane Flight Manual Supplement, Document No. FMS-029, Revision "Original" dated August 14, 2002, or later FAA approved revisions, is required as part of this installation.

Limitations and Conditions: 1) Descriptive data pertaining to this design change are considered inadequate for duplication in other products. This approval is limited to the installation made in the Bombardier Global Express BD-700-1A10 model, Serial No. 9034 only. This STC does not permit manufacturing of parts for multiple installations.

2) The AFIS installed on this airplane is approved on a non-interference basis and has not been certified for operational use. The AFIS performance and its intended functions require additional approval and must be evaluated to assure satisfactory compliance with the applicable regulations.

3) The maximum number of passengers allowed is eleven (11) based on the number of seats approved for Taxi, Takeoff, and Landing.

4) This modification has been determined to be a no acoustic change per 14 CFR 21.93(b) with a reduced maximum gross landing weight of 75,500 lbs.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: August 15, 2000

Date reissued:

Date of issuance: August 27, 2002

Date amended:

By direction of the Administrator
